

February 5, 2009

Dear Business Owner:

The Monrovia Providers Group, an organization dedicated to improving the lives of older Americans in the greater Monrovia area, is pleased to invite you to participate as a sponsor for the **Dementia Tool Box Series, 2nd of the Series "A Blueprint for Building Care and Quality of Life"**. The event takes place on **Saturday, March 28, 2009**. At the last event of the Dementia Tool Box Series approximately 280 guests enjoyed this educational and informative program. All proceeds from this event benefit the Monrovia Providers Group work to improve senior transportation.

Vendor set up is at 7:30am at the Monrovia Community Center, at 119 West Palm Street, Monrovia, CA 91016. After bringing your display items into the vendor area, please move your vehicle from the Community Center parking lot in order to provide parking to our participants. There is parking available just north of the building in the Pavilion Shopping Center.

Unfortunately, anyone who is *late setting up will not be able to participate* in the vendor area due to the disruption it causes during the registration and vendor portion of the event. **Breakdown will be at 12:30pm.**

Your sponsorship will provide an opportunity for the senior community and care-givers to come together in support of a worthwhile cause while enjoying an afternoon not to be missed. This year's program focus is memory enhancement, an area of life that is becoming increasingly important for older Americans.

The enclosed list of sponsorship packages details the valuable advertising benefits your business can expect as a sponsor. With your business name in the forefront we will reach our goal of hosting a successful event. Your participation and support is sincerely appreciated. For additional information contact Penny Arroyo at Monrovia Community Services, (626) 256-8246 or on line at www.monroviaproviders.org.

Monrovia Providers Group, Inc.
Mission Statement

The Monrovia Providers Group, Inc. consists of community agencies working together as a ***TEAM*** to deal with issues relating to senior citizens in the City of Monrovia.

Our goals include taking a “pro-active” approach as a ***Community Team*** to assist senior citizens with aging-related concerns, before they become a crisis.

In an effort to stop the duplication of services, we plan to combine community agencies resources, programs and benefits available to our senior citizens. Working together as a team, our goals include continuing to educate seniors in our community to the services available to them.
